Cotton Towels

# 01 Natural Checkerboard Series

The product combines classic checkerboard patterns with natural elements, immersing you in a state of nature. It seeks to rediscover the original sense of relaxation and offers a tranquil and peaceful retreat

# Healing Vacation Natural Checkerboard Series

## Soft Imagery in the Bathroom

Material:

100% combed cotton (long fibers do not shed, maintaining a soft and fluffy state for a long time)

Size:

Face towel 3575, bath towel 70140 (can be used as a beach towel, bringing back the relaxed vacation feeling)

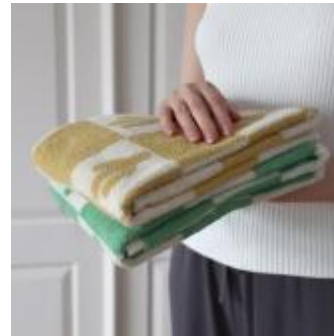

Weight:

Face towel 125g, bath towel 470g (high weight provides excellent softness and absorbency, gently wiping the skin, providing a full wrap-around sensation)

Colors:

Checkerboard coconut green/checkerboard coconut yellow/  
checkerboard cactus green/checkerboard cactus yellow

The urban life of reinforced concrete inevitably causes physical and mental exhaustion. The coastal breeze blowing by the coconut trees and the tropical vacation cacti often bring a relaxed and carefree feeling. This product combines classic checkerboard patterns with natural elements, immersing oneself in the natural world, seeking the original sense of relaxation, enjoying a quiet and peaceful place.

## 02 Forest Stripe Healing Series: Healing "Body" Breath - A way to bring peace and tranquility.

The product blends natural colors, uses positive and vibrant color designs to awaken the mind and body, releases dopamine, and becomes a cure for life.

# The forest stripe healing series, healing "body" breathing.

## Material:

100% combed cotton (long fibers do not shed hair, maintaining a soft state for a long time)

## Size:

Face towel 3575, bath towel 70140 (can be used as a beach towel, rediscovering the relaxed vacation leisure)

## Weight:

Face towel 125g, bath towel 470g (high weight provides excellent softness and absorbency, gently wiping the skin, bringing a full sense of wrapping)

## Color:

Pink coffee wide strip/yellow and white wide strip/blue and green wide strip/green coffee wide strip  
Busy urban life makes people exhausted. Trying to find the healing light of natural colors, our product integrates natural colors and uses positive and colorful design to awaken the body and mind, release dopamine, and become the cure for life.

100% combed cotton material is unparalleled in softness and water absorption, allowing the skin to immerse in it, relieving stress, and glowing with vitality. Natural cotton texture becomes the gospel of physical and mental healing.

## 03 Encountering the Aesthetics of Life in Stripes

Healing the "Body" Breath, with pure cotton's simplicity, smoothes out the wrinkles of life, offering a moment of relaxation and comfort to the body and mind, allowing for peaceful time spent at home.

# Encountering the Aesthetics of Stripes in Life.

Material: 100% combed cotton (long fibers do not shed, maintaining a soft and fluffy state for a long time)

Size: Face towel 3575, bath towel 70140  
(can be used as a beach towel,

rediscovering the relaxed vacation feeling)

Weight: Face towel 125g, bath towel 470g  
(high weight provides excellent softness and absorption, gently wiping the skin,

bringing a full sense of wrapping)

Color: Pale pink/yellow stripes/brown and blue stripes

As spring gradually warms up and cool breeze arrives, let natural cotton blend with elegant colors to bring a soft and light touch to daily life, rediscovering the slow and relaxed sense of belonging.

Cure "body" breathing, with the simplicity of pure cotton, smooth out the wrinkles of life, providing a moment of relaxation and peace for both body and mind, enjoying the tranquility of home.

## Text report

This is a test report from TST testing in Chinese and English, it shows it is a first-class product, and oass the text (This is 6 of 6 pages here, if you need to know more details, please contact with us!)
